APPROVAL OF MAPS OF STATE LANDS IN SOUTH HUMBOLDT BAY, HUMBOLDT COUNTY -
W.O. 3299.

Chapter 106/59 directs the State Lands Commission to determine the ownership and extent of the State-owned tide and submerged lands in South Humboldt Bay and to report such ownership to the Legislature not later than the fifth day of the 1960 Budget Session.

Sheets 1 to 3 of 3 of maps entitled "State Lands in South Humboldt Bay" have been prepared, on which the State-owned lands are shown as cross-hatched areas. In this determination all tidelands were plotted as originally sold. The final determination of State-owned lands considered possible natural changes as shown by the 1956 Low Water lines taken from U.S.C. & G.S. Coast Chart No. 5832.

IT IS RECOMMENDED THAT THE EXECUTIVE OFFICER BE AUTHORIZED TO APPROVE AND HAVE RECORDED SHEETS 1 TO 3 OF 3 OF MAPS ENTITLED "STATE LANDS IN SOUTH HUMBOLDT BAY", DATED DECEMBER 1959.
